### Customer Satisfaction

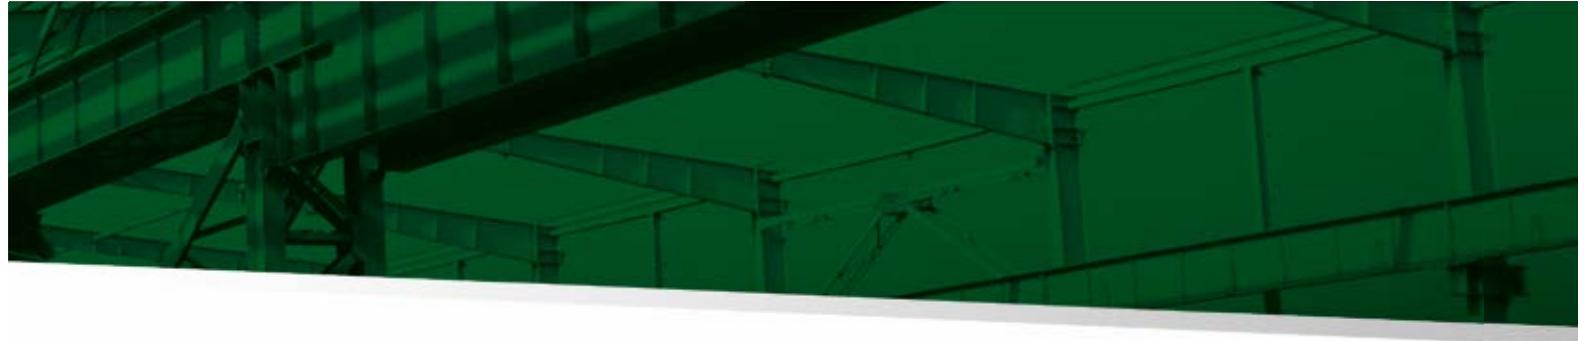

Our customers are our success partners. Customer satisfaction is our main concern at every stage of the project.

■ Applications of steel structures:

- **Industrial Buildings**
- **Residential & Commercial Buildings**
- **Aviation Hangers**
- **Agricultural Buildings**
- **Cladding Substructure**
- **Pipe Racks**
- **Mezzanines**

- Square pre-engineered buildings are custom-designed to meet your exact requirements. The most common primary framing systems are shown below, Practically any frame geometry is possible.

## ■ OUR PROCESS:

### **PROJECT STUDY**

We look into every aspect of the client's requirements to get the optimum solution both economicly and effectively that helps through the project's visibility study.

### **QUALITY CONTROL**

At this point we check the fabricated parts prior to the shipping stage.

### **ENGINEERING**

Designing the project to match the architectural aspects and technical usage of the project based on the suitable engineering design codes, that outputs a shop drawings for fabrication stage accordingly

### **INSTALLATION**

The delivered fabricated elements gets arranged and installed together for building up the skeleton, then comes the cladding installation

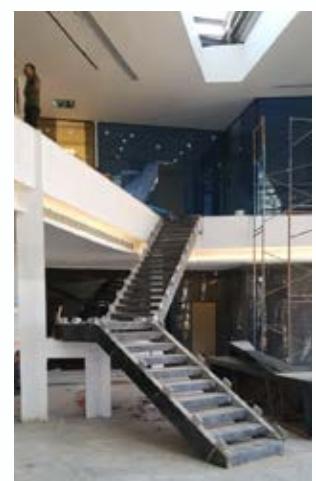

### **FABRICATION**

An Inspection takes place on the purchased raw material, and with accordance to the released shop drawings, the fabrication starts for each part of the building along with a quality supervision, thereafter the final product is ready for the next phase.

### **HANDING OVER**

Completion stage of the steel building with all necessary items and ready for handing over

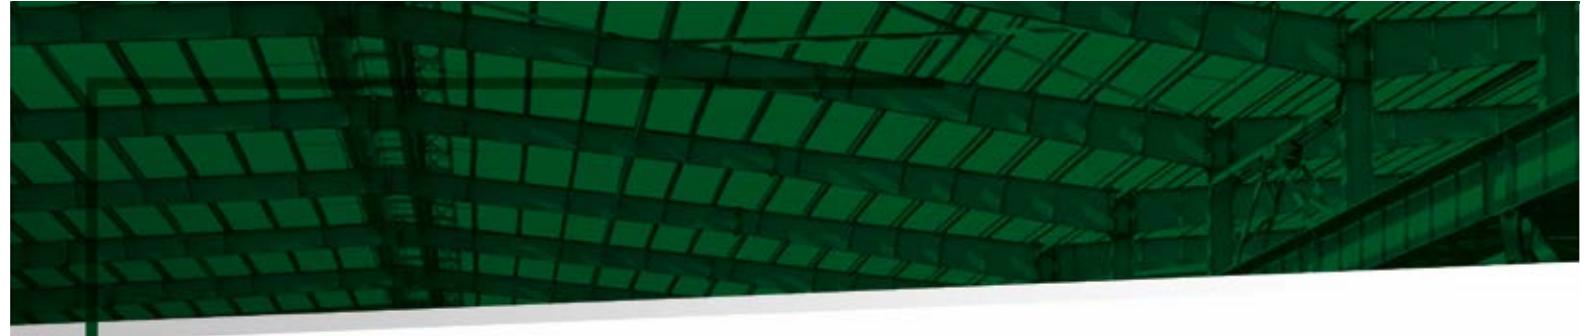

## ■ Show Room - Fifth Settlement - Ring Road

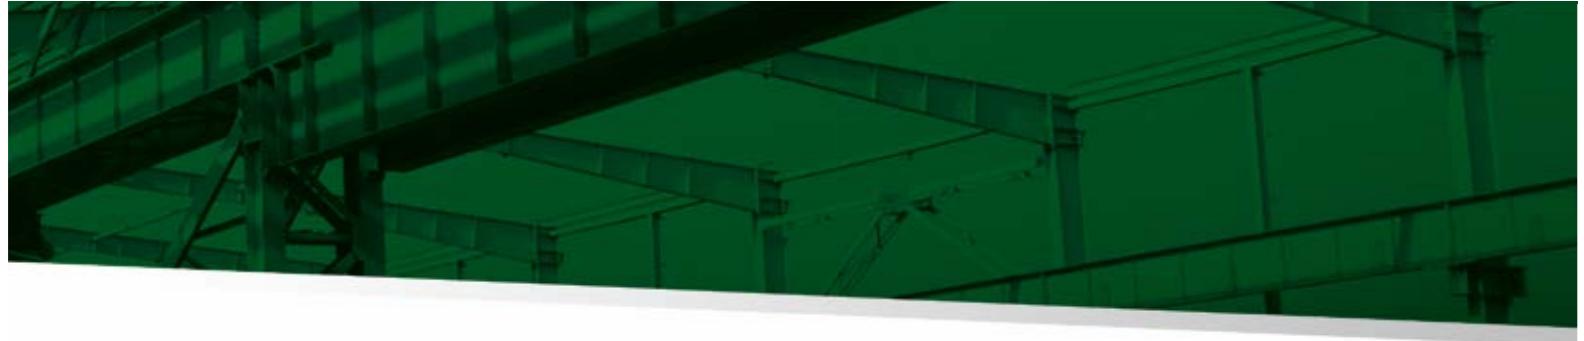

## ■ GYMNASTIC HALL - Zamalek

## ■ Aerobics Hall - 6th of October

## ■ HOME APPLIANCES FACTORY- Ismailia

## ■ OLIVE PLANT - Wadi El-Natroun

## ■ Glass Factory - 10th of Ramadan

## ■ Poultry Company Warehouse - Cairo Alex Desert Rd.

## ■ Food Packaging Factory - 10th of Ramadan

## ■ Plastic Factory - Obour City

## ■ Coldstore warehouse - Cairo Alex Desert rd.

## ■ Industrial Elevator - Helwan

## ■ Warehouse Extention - 10th of Ramadan

## ■ Soap and Detergents Factory - 10th of Ramadan

## ■ Plastic Factory

## ■ Perfumes Factory - 10th of Ramadan
